Dear Authors,

Again, congratulations on your paper in our IEEE TCC SI on Cloud Economics. We are approaching to publish the SI in the coming issue of IEEE TCC. Your paper titled with "CHARM: A Cost-efficient Multi-cloud Data Hosting Scheme with High Availability" is selected to have a video presentation online.

Detailed guidelines:

You need to produce your own videos that elaborate on the presented research (kind of supplementary materials). The videos should be about 7-10 minutes. For acceptable formats please see:

<http://www.ieee.org/documents/MMdocumentation.pdf> The videos should be ready and sent to us by August 4, 2015.

Let me know if you accept this invitation. Thanks for your contribution.

Thanks,

Bharadwaj and Saven

Guest editor for IEEE TCC SI on Cloud Economics
